

## **Tyler's Kids Outreach (TKO) Student Scholarship/Mentorship Application**

Through Tyler's Kids Outreach, my wife Liz and I have created a Scholarship/Mentorship Program to provide financial assistance to deserving student-athletes within the Denver region that are excelling in their daily school responsibilities to include good grades, citizenship, dedication to athletics and attendance to participate in youth football activities and camps that require fees.

Scholarship recipients are students that exhibit the desire and drive to work hard & go the extra mile to touch others while excelling in their own personal life. This reward for their dedication & hard work is a small token of my appreciation for their kindness & generosity.
